

ADMINISTRATIVE BOARD

DECISION

Chisinau

19.08.2010

No. 25

On Identifying Market for Traffic Transit Services in Public Telephone Networks

Pursuant to the provisions of Art. 9(1) k) and Art.51 (1) and (2) of the Law on Electronic Communications no.241-XVI 15.11.2007 (Official Gazette no.51-54 of March 14, 2008),

In accordance with the provisions of the Regulations on Regulation on Identification and Analysis of relevant markets in electronic communications and designation of providers with significant market power on those markets, approved by ANRCETI Board Decision No. 55 of December 29, 2008, (Official Gazette no. 34-36 of February 17, 2009),

Having regard to the conclusions of the Analysis for Identification of the market for traffic transit services in public telephone networks, the Administrative Board hereby

DECIDES:

1. To identify as relevant the **market for traffic transit services in public telephone networks**.
2. The relevant product market comprises local and national transit services for all call categories on network segments between two or more interconnection points.
3. The geographic limits of the market for traffic transit services in public telephone networks are within national territory.
4. The Decision hereby shall enter in force on the date it is adopted and it is published in the Official Gazette of the Republic of Moldova.
